

Booking Notes for Easter Meet 2020 at The De Montfort School, Evesham.

The Meet will open at 2pm Thursday 9th April and close by noon on Easter Tuesday, 14th April.

Please read the following notes carefully before you fill in the booking form. Remember that we do not make the rules but we do have to adhere to them when organising meets. This is a booked Meet and all fees must be paid up front unless there are extra-ordinary circumstances. We do not have facilities to hold large amounts of money at Evesham.

This is a Camping and Caravanning Club Meet and as such it is open to members only. In practical terms this means that everyone aged 18 years and over attending this Meet must be in possession of their own **current** membership card e.g. full member, family member, youth member or associate member. This is not a Temporary Holiday Site so temporary membership is not available. **Current** Membership cards for each of your party must be produced when registering at Reception.

We would like to think that ALL Camping and Caravanning members will volunteer their help for at least one session during the meet.

We expect to start processing bookings in the middle of February but please, if you need easy access because of a disability, book as early as possible, preferably by 1st March. We would like all other bookings by 15th March at the latest to allow us time to process your applications. We will try to allocate suitable pitches but space close to the building is limited. The working party will help workshop leaders transport heavy equipment from their vans on the field to their designated area.

You have been asked to send a stamped, self addressed envelope, size 16 x 23cm to receive your preview programme and this will be sent along with your windscreen tag and directions to the site. Make sure your envelope is the right size and has the **large letter postage** otherwise we will only be able to return your receipt and tag. You will be able to pick up all of your programmes when you arrive. Do enclose a stamped self addressed postcard with your booking form if you wish confirmation that your booking has been received.

Only CCY, Camping and Caravanning Youth, members may camp in the youth area. Non CCY members can join the CCY at Easter by seeing one of the Youth Leaders but it is preferable if non CCY arrange their membership beforehand. Please bring your **current** membership card with you.

Children under 12 must be accompanied by an adult in all workshops, including those in the children's room. Remember that your children/grandchildren are your responsibility throughout the duration of the Meet and you must know where they are at all times.

All dogs must be on a short lead when they are away from your van. You will be held personally responsible for any accident or incident involving your dog and we strongly recommend that your pet is covered by Public Liability Insurance. Most Pet Insurance covers this as do some household policies. There is a designated dog walk with the appropriate bins.
